

Fill in the gaps

Well, I (1) up to the sound of silence	Carry on
The scars were cutting like knives in a fist fight	May your past be the sound of your feet upon the ground and
And I found you (2) the bottle of wine	Carry on
Your head in the curtains	Woah
And heart like the fourth of july	My head is on fire
You swore and said,	But my legs are fine
"We are not we are not shining stars"	After all, they are mine
This I know	Lay (6) clothes down on the floor,
I (3) said we are	Close the door,
Though I've never been through hell like that	Hold the phone,
I've closed enough windows to know you can never look back	Show me how no one is ever going to stop us now
If you're lost and alone	Because we are
Or you're sinking like a stone,	We are shining stars
Carry on	We are invincible
May your past be the sound of your feet upon the ground	We are who we are
Carry on	On our darkest day,
Carry on, carry on	When we're miles away,
So I met up with some friends at the edge of the night	So we will come
At a bar off 75	We will find our way home
And we talked and talked about how our parents will die	If you're lost and alone
All our neighbors and wives	Or you're sinking (7) a stone,
But I'd like to think I can cheat it all	Carry on
To make up for the times I've been cheated on	May your past be the sound of (8) feet
And it's nice to know,	(9) the ground and
when i was left for dead,	Carry on oh on on oh ohh oh oh oh oh
I was found and now I don't roam the streets	oh ohh oh oh oh oh
I am not the (4) you want of me	No one is ever going to (10) us now
If you're (5) and alone	No one is ever going to stop us now
Or you're sinking like a stone,	No one is ever going to stop us now
