

## Fill in the gaps

We clawed, we chained, our hearts in vain	I (13) in (14) a wrecking ball
We jumped, never asking why	Yeah, I just closed my (15) and swung
We kissed, I fell under your spell	Left me crouching in a blazing fall
A love no one could (1)	All you ever did was (16) me
Don't you (2) say I just walked away	Yeah you, you wreck me
I will always (3) you	I (17) meant to start a war
I can't (4) a lie, running for my life	I just wanted you to let me in
I will always want you	And instead of using force
I came in like a wrecking ball	I guess I should've let you win
I (5) hit so hard in love	I (18) meant to start a war
All I (6) was to break your walls	I just wanted you to let me in
All you ever did was wreck me	I guess I should've let you win
Yeah you, you wreck me	Don't you ever say I just walked away
I put you high up in the sky	I (19) always (20) you
And now, you're not coming down	I came in like a wrecking ball
It slowly turned, you let me burn	I never hit so hard in love
And now, we're ashes on the ground	All I wanted was to (21) (22)
Don't you (7) say I just (8)	(23)
(9)	All you ever did was wreck me
I will always want you	I came in like a wrecking (24)
I can't live a lie, (10) for my (11)	Yeah, I just (25) my eyes and swung
I will always want you	Left me (26) in a blazing
I came in like a wrecking ball	(27)
I never hit so hard in love	All you (28) did was (29) me
All I wanted was to break your walls	Yeah you, you wreck me
All you (12) did was wreck me	Yeah you, you wreck me
