

## Fill in the gaps

## Way Back Into Love by Hugh Grant And Haley Bennett

I've been (1) with a (2)	All I (15) to do is find a way (16) into
overhead	love
I've been sleeping with a cloud (3) my bed	I can't make it (17) without a way back into
I've (4) lonely for so long	love
Trapped in the past, I just can't seem to move on	And if I (18) my heart again
I've been hiding all my (5) and dreams away	I (19) I'm (20) you'll be there for
Just in case I ever need em again someday	me in the end
I've (6) setting aside time	oh, oh, oh, oh
To (7) a little space in the (8)	There are moments when I don't know if it's real
of my mind	Or if anybody feels the way I feel
All I want to do is find a way back (9) love	I need inspiration
I can't make it through (10) a way back into	Not (21) another negotiation
love	All I want to do is find a way back into love
Oh oh oh	I can't (22) it through without a way back
I've been watching but the stars refuse to shine	(23) love
I've been searching but I just don't see the signs	And if I open my (24) to you
I know that it's out there	l'm (25) you'll (26) me
There's got to be something for my soul somewhere	(27) to do
I've been looking for someone to shed some light	And if you help me to (28) again
Not (11) just to get me	You know that I'll be (29) for you in the end
(12) the night	oh, oh, oh, oh
I could use (13) direction	
And I'm open to (14) suggestions	

## SUB Inglés
