Fill in the gaps

Way Back Into Love by Hugh Grant And Haley Bennett

I've been (1)	with a shadow overhead	All I want to do is find a way back into love	
I've been sleeping with a cloud above my bed		I can't make it through without a way back into love	
I've been lonely for so long		And if I (7) my heart again	
Trapped in the past, I just can't seem to move on		I guess I'm hoping you'll be there for me in the end	
I've been hiding all my hopes and dreams away		oh, oh, oh, oh	
Just in case I ever need em again someday		There are moments when I don't know if it's real	
I've been setting aside time		Or if anybody feels the way I feel	
To clear a little space in the corners of my mind		I need inspiration	
All I want to do is find a way back into love		Not just another negotiation	
I can't make it through without a way back into love		All I want to do is find a way back into love	
Oh oh oh		I can't make it (8)	(9) a
I've been (2)	but the stars refuse to shine	way back into love	
I've been searching but I (3)	don't see the signs	And if I open my heart to you	
I know that it's out there		I'm hoping you'll show me what to do	
There's got to be (4)	for my soul	And if you help me to (10)	_ again
somewhere		You know that I'll be there for you in the end	
I've been looking for someone to shed (5) light		oh, oh, oh, oh	
Not somebody (6) to get me through the night			
I could use some direction			

- 1. living
- 2. watching
- 3. just
- 4. something
- 5. some
- 6. just
- 7. open
- 8. through
- 9. without
- 10. start
