## The Black Parade by My Chemical Romance

And (13)\_\_\_\_\_ you're dead and gone believe me

When I was a young boy,	Your memory will carry on
My father took me into the city	We'll carry on
To see a marching band.	And though you're broken and defeated
He said, "Son when you (1) up,	Your weary widow marches
would you be the savior of the broken,	On and on we carry through the fears
the beaten and the damned?"	Ooh oh ohhhh
He (2) "Will you defeat them,	Disappointed faces of (14) peers
your demons, and all the non-believers,	Ooh oh ohhhh
the plans that they have made?"	Take a look at me cause I could not (15) at all
"Because one day I'll leave you,	Do or die, you'll never make me
A phantom to lead you in the summer,	Because the world will never take my heart
To join The Black Parade."	Go and try, you'll never (16) me
When I was a young boy,	We want it all, we wanna play this part
My father took me into the city	I won't explain or say I'm sorry
To see a marching band.	I'm unashamed, I'm gonna (17) my scar
He said, "Son when you grow up,	Give a (18) for all the broken
would you be the savior of the broken,	Listen here, because it's who we are
the beaten and the damned?"	I'm just a man, I'm not a hero
Sometimes I get the (3) she's	Just a boy, who had to sing (19) song
(4) over me.	I'm just a man, I'm not a hero
And other times I feel (5) I should go.	I! don't! care!
And through it all, the rise and fall, the bodies in the streets.	We'll carry on
And when you're gone we want you all to know.	We'll carry on
We'll carry on,	And though you're dead and gone believe me
We'll carry on	Your memory will carry on
And (6) you're dead and (7)	We'll carry on
believe me	And (20) you're broken and defeated
Your memory (8) carry on	Your weary widow marches on
We'll (9) on	Do or die, you'll never make me
And in my heart I can't (10) it	Because the world will never take my heart
The anthem won't explain it.	Go and try, you'll never break me
A world that sends you (11) from	We want it all, we wanna play this (21) (We'll
(12) dreams	(22) on)
Your misery and hate will kill us all.	Do or die, you'll never make me (We'll carry on)
So paint it black and take it back	Because the world will never take my heart (We'll carry on)
Let's shout it loud and clear	Go and try, you'll never break me (We'll carry)
Defiant to the end we hear the call	We want it all, we wanna (23) this (24)
To carry on	(We'll carry on)
