## The Black Parade by My Chemical Romance

When I was a young boy,	Your memory will carry on
My father took me into the city	We'll carry on
To see a marching band.	And though you're broken and defeated
He said, "Son (1) you grow up,	Your weary widow marches
would you be the savior of the broken,	On and on we carry through the fears
he beaten and the damned?"	Ooh oh ohhhh
He said "Will you defeat them,	Disappointed faces of your peers
your demons, and all the non-believers,	Ooh oh ohhhh
the plans that they have made?"	Take a look at me cause I could not care at all
Because one day I'll leave you,	Do or die, you'll never make me
A phantom to lead you in the summer,	Because the (6) (7) never take my
To join The Black Parade."	heart
When I was a young boy,	Go and try, you'll never break me
My father took me into the city	We want it all, we wanna play this part
To see a marching band.	I won't explain or say I'm sorry
He said, "Son (2) you grow up,	I'm unashamed, I'm gonna show my scar
would you be the savior of the broken,	Give a cheer for all the broken
he beaten and the damned?"	Listen here, because it's who we are
Sometimes I get the feeling she's watching (3) me.	I'm just a man, I'm not a hero
And other times I feel like I should go.	Just a boy, who had to sing this song
And through it all, the rise and fall, the bodies in the streets.	I'm just a man, I'm not a hero
And when you're gone we want you all to know.	I! don't! care!
We'll carry on,	We'll carry on
We'll carry on	We'll (8) on
And though you're dead and gone believe me	And though you're dead and gone believe me
Your memory will carry on	Your memory will carry on
We'll (4) on	We'll carry on
And in my heart I can't contain it	And though you're broken and defeated
The anthem won't explain it.	Your weary widow marches on
A world that sends you reeling from decimated dreams	Do or die, you'll never make me
Your misery and hate will kill us all.	Because the world will never take my heart
So paint it black and take it back	Go and try, you'll never break me
_et's shout it loud and clear	We (9) it all, we wanna play this part (We'll
Defiant to the end we hear the call	(10) on)
To carry on	Do or die, you'll never make me (We'll carry on)
We'll carry on	Because the world will never take my heart (We'll carry on)
And though you're dead and (5) believe me	Go and try, you'll never break me (We'll carry)
	We want it all, we wanna play this part (We'll carry on)
