

Fill in the gaps

How (1) roads must a man walk down	How many (7) must a man (8) up
Before you call him a man?	Before he can see the sky?
How many seas must a white dove sail	How many ears must one man have
Before she sleeps in the sand?	Before he can hear people cry?
How many times must the cannon (2) fly	How many (9) will it take 'til he knows
Before they're forever banned?	Too many (10) have died?
The answer, my friends, is blowin' in the wind	The answer, my friend, is blowin' in the wind
The (3) is blowin' in the wind	The answer is blowin' in the wind
How many years can a mountain exist	The answer, my friend, is blowin' in the wind
Before it's washed to the sea?	The answer is blowin' in the wind
How many years can (4) people exist	
Before they're (5) to be free?	©SPECIAL RIDER MUSIC
How many times can a man turn his head	
And pretending he (6) doesn't see?	
The answer, my friends, is blowin' in the wind	
The answer is blowin' in the wind
