

Fill in the gaps

Do T Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the type that	(Do I wanna know?)
(1) around (2) (3)	If this feeling (21) both (22)
in your teeth?	(Sad to see you go)
Are there (4) aces up your sleeve?	Was sorta hoping that you'd stay
Have you no idea that you're in deep?	(Baby we both know)
I've dreamt (5) you nearly (6) night	That the nights (23) mainly made for saying things
this week	that you can't say tomorrow day
How many secrets can you keep?	Crawling back to you
Cause there's this tune I (7) that makes me think	Ever thought of calling when you've had a few? (calling when
of you somehow and I play it on (8)	you've had a few)
Until I fall asleep	'Cause I always do ('cause I always do)
Spilling drinks on my settee	Maybe I'm too busy being yours to fall for somebody new
(Do I wanna know?)	Now I've (24) it through
If this feeling flows both ways	Crawling back to you
(Sad to see you go)	(Do I wanna know?)
Was sorta hoping that you'd stay	If this feeling flows both ways
(Baby we (9) know)	(Sad to see you go)
That the nights were mainly (10) for	Was sorta hoping that you'd stay
(11) things (12) you can't say	(Baby we both know)
tomorrow day	That the (25) were mainly (26) for
Crawling back to you	saying things that you can't say tomorrow day
Ever thought of calling (13) you've had a few?	(Do I wanna know?)
Cause I always do	Too busy being yours to fall
Maybe I'm too busy (14) yours to fall for	(Sad to see you go)
somebody new	Ever thought of calling darling?
Now I've thought it through	(Do I (27) know)
Crawling back to you	Do you (28) me crawling back to you?
So have you got the guts?	
Been (15) if your heart's still	
(16) and if so I wanna know what time it	
(17)	
Simmer down and pucker up	
I'm sorry to interrupt it's (18) I'm constantly on the	
cusp of trying to kiss you	
I don't (19) if you (20) the same as I do
