## SUB inglés

trying to kiss you

I don't know if you feel the same as I do

## Fill in the gaps

## Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear (1) you can't shift the	(Do I wanna know?)
type that sticks around like summat in your teeth?	If this feeling flows both ways
Are there some aces up your sleeve?	(Sad to see you go)
Have you no idea that you're in deep?	Was sorta hoping that you'd stay
I've dreamt about you nearly (2) night this week	(Baby we both know)
How many secrets can you keep?	That the nights were mainly made for saying things
Cause there's this tune I found that makes me think of you	(6) you can't say tomorrow day
somehow and I play it on repeat	Crawling back to you
Until I fall asleep	Ever thought of calling when you've had a few? (calling when
Spilling drinks on my settee	you've had a few)
(Do I wanna know?)	'Cause I always do ('cause I always do)
If this feeling flows both ways	Maybe I'm too busy being yours to fall for somebody new
(Sad to see you go)	Now I've thought it through
Was sorta hoping that you'd stay	Crawling back to you
(Baby we (3) know)	(Do I wanna know?)
That the nights were mainly made for saying things that you	If this feeling flows both ways
can't say tomorrow day	(Sad to see you go)
Crawling (4) to you	Was sorta hoping that you'd (7)
Ever thought of calling when you've had a few?	(Baby we both know)
Cause I (5) do	That the nights were (8) made for saying
Maybe I'm too busy being yours to fall for somebody new	things that you can't say tomorrow day
Now I've thought it through	(Do I wanna know?)
Crawling back to you	Too busy being yours to fall
So have you got the guts?	(Sad to see you go)
Been wondering if your heart's still open and if so I wanna	Ever thought of calling darling?
know what time it shuts	(Do I wanna know)
Simmer down and pucker up	Do you want me crawling (9) to you?
I'm sorry to interrupt it's just I'm constantly on the cusp of	

- 1. that
- 2. every
- 3. both
- 4. back
- 5. always
- 6. that
- 7. stay
- 8. mainly
- 9. back
