

Fill in the gaps

Stop For A Minute by Keane Ft. K'naan

Some days, (1) my (2) has left my	And I'm the first to (15) it
body	Without you (16) child and so wherever you go
Feel I'm floating high above me	I will follow
Like I'm looking down upon me	One yeah
Start sinking, everytime I get to thinking	And baby you are just (17) from
It's easier to keep on moving	(18) to your cuticles
Never (3) to let the truth in	You held down my two sons,
Sometimes I (4) like it's all been done	you (19) frown when (20) calls
Sometimes I (5) (6) I'm the only one	You know me, I gave you more than you can handle
Sometimes I wanna change everything I've ever done	But you still keep a handle on it
Too tired to fight and yet too scared to run	even when I take (21)
And if I stop for a minute	(22) and vandal on it
I think about things I really don't wanna know	No more females?
And (7) the first to admit it	Well how come my emails got (23) on a scandal
Without you I'm a liner stranded in an ice floe	It's (24) Eve with the apple,
I feel like a (8) who has no faith	A priest in the chapel
Maybe more than by the grade	Overcome by the devil's tackle
Of the (9) you took that day	I'm (25) shackling the bad til I know
Sinking in the pain he's been inflicting	And if I stop for a minute
Yet he's feeling like the victim	I think about things I really don't wanna know
Just a horoscope's to blame	So I guess I'm (26) a fiend
Sometimes I feel (10) a little lost child	Consumed by the scene
Sometimes I feel like the (11) one	And (27) the (28) to admit it
Sometimes I (12) shout out 'til	Without you I'm a liner stranded in an ice floe
(13) goes quiet	The stage and the screens
Sometimes I wonder why I was (14) born	Where it's just me and Keane.
And if I stop for a minute	
I think about things really I don't wanna know
