

And I feel something so wrong

## Fill in the gaps

ately I've been, I've been losing sleep	But doing the right thing
Dreaming about the things that we could be	I could lie, could lie, could lie
But baby I've been, I've been (1) hard	Everything that drowns me makes me wanna fly
Said no more counting dollars	Lately I've been, I've been losing sleep
Ve'll be counting stars	Dreaming about the things that we could be
eah, we'll be counting stars	But baby I've been, I've been praying hard
see this life	Said no more counting dollars
like a swinging vine	We'll be counting stars
Swing my heart across the line	Lately I've been, I've been losing sleep
n my face's flashing sun	Dreaming about the things that we could be
Seek it out and you shall find	Baby I've been, I've been praying hard
Dld, but I'm not that old	Said no more counting dollars
oung, but I'm not that bold	We'll be, we'll be counting stars
And I don't think the world is sold	Take that money and watch it burn
'm just doing what we're told	Sink in the river the lessons I learned
feel something so right	Take that money and watch it burn
But doing the wrong thing	Sink in the river the lessons I learned
(2) something so wrong	Take that money and watch it burn
But doing the right thing	Sink in the river the lessons I learned
could lie, could lie, could lie	Take that money and watch it burn
Everything that kills me makes me (3) alive	Sink in the river the lessons I learned
ately I've been, I've been losing sleep	Everything that kills me makes me (10) alive
Dreaming about the things that we could be	Lately I've been, I've been losing sleep
But baby I've been, I've been praying hard	Dreaming about the things that we could be
Said no more counting dollars	But baby I've been, I've been praying hard
Ve'll be (4) stars	Said no more counting dollars
ately I've been, I've (5) losing sleep	We'll be counting stars
Dreaming about the things that we could be	Lately I've been, I've been losing sleep
Baby I've been, I've (6) praying hard	Dreaming about the things that we could be
Said no more counting dollars	Baby I've been, I've been praying hard
Ve'll be, we'll be (7) stars	Said no more counting dollars
(8) the love	We'll be, we'll be counting stars
And I feel it burn	Take that money and watch it burn
Down (9) river every turn	Sink in the river the lessons I learned
Hope is a four letter word	Take that money and watch it burn
Take that money	Sink in the river the lessons I learned
Vatch it burn	Take that money and watch it burn
Dld, but I'm not that old	Sink in the river the lessons I learned
oung, but I'm not that bold	Take that money and watch it burn
And I don't think the world is sold	Sink in the river the lessons I learned
'm just doing what we're told	

- 1. praying
