Lately I've been, I've been losing sleep	But doing the right thing
Dreaming about the things that we could be	I could lie, (5) lie, could lie
But baby I've been, I've been praying hard	Everything that drowns me makes me wanna fly
Said no more counting dollars	Lately I've been, I've been losing sleep
We'll be counting stars	Dreaming about the things (6) we could be
Yeah, we'll be counting stars	But baby I've been, I've been praying hard
I see this life	Said no more counting dollars
Like a swinging vine	We'll be counting stars
Swing my heart across the line	Lately I've been, I've been losing sleep
In my face's flashing sun	Dreaming about the things that we could be
Seek it out and you shall find	Baby I've been, I've been praying hard
Old, but I'm not that old	Said no more counting dollars
Young, but I'm not that bold	We'll be, we'll be counting stars
And I don't think the world is sold	Take that money and watch it burn
I'm just doing what we're told	Sink in the river the lessons I learned
I feel something so right	Take that money and watch it burn
But doing the wrong thing	Sink in the river the lessons I learned
I feel something so wrong	Take that money and watch it burn
But doing the right thing	Sink in the river the lessons I learned
I could lie, could lie, could lie	Take that money and watch it burn
Everything that kills me makes me feel alive	Sink in the river the lessons I learned
