

## Fill in the gaps

If I could find words	And still he has dreams
To (1) you I'm sorry	And (12) I must (13) to cope
Make you understand	Absurd as it seems
I mean just (2) I say	I still (14) hope
After all that I've heard	If I had good sense
Why (3) I worry	And heed all the warnings
When we ride the fine line	I (15) let it be
Between love and hate	And (16) all well alone
If I had (4) wise	But there's no recompense
Well how could I (5) you	For waking up mornings
Now I'm all alone	Feeling (17) it's myself
My life in disarray	Who's the (18) one
But try as I might	Yes I (19) we've (20) through this all
I can't live (6) you	before
So I cling to the hope	How can I prove my love for you is real
Of a (7) brighter day	No I can't do anymore
Oh I know we've (8) through this all before	If I (21) only find
How can I prove my love for you is real	If (22) I could find
No I can't do anymore	If I could only (23) (24)
If I (9) (10) (11) words
