

## Fill in the gaps

Resting on the shoulders of your name  Do you see the truth through all their lies?  Do you see the (1) through  (2) eyes?  And if you want to talk about it anymore  Lie here on the floor and cry on my shoulder  I'm a friend  I have seen birth, I have seen death  Lived to see a lover's final breath  Do you see my guilt? Should I feel fright?  Is the fire of hesitation burning bright?  And if you want to talk about it once again  On you I depend, I'll cry on (3) shoulder  You're a friend  You and I (4) been through (5) things  I'll hold on to your heart  I wouldn't cry for anything  But don't go (6) your life apart	I have seen peace, I have seen pain
