

## Fill in the gaps

Said you got fired of the (1) old (2) r	As you watch all the (16) on the freeway
roll	And he said I
Let's start (3) at sunset, life with a lot more soul	I come from (17) City
Well I know you spend a lot of time alone in your head	And I
Remember (4) you said	I'm hard to satisfy
I (5) (6) you'd be so easily	And I want someone like you, you look so pretty
lead	In (18) City
One million lights	And now the lights are burning out
They've (7) burning our eyes til the morning	And now the (19) are turning out
Run for our lives	But you stay (20) (21) me
As you watch all the cars on the freeway	In the city
And he said I	And he (22) I
I come from (8) City	I come from Detroit City
And I	And I
I'm hard to satisfy	I'm hard to satisfy
And I (9) like you, you	'Cause I want someone (23) you, you look so
(11) so pretty	pretty
In Detroit City	In Detroit City
You said you got some on the city and its dreams	Detroit, Detroit, Detroit
They make cuts in the (12) while the	Detroit City
(13) screams	Detroit City
I couldn't believe	Detroit City
Someone like me (14) leave you so weak	Detroit, Detroit, Detroit
We're dancing in the street	
You know we (15) need no sleep	
One million lights	
They've been burning our eyes til the morning	
Run for our lives
