Somewhere Only We Know by Lily Allen

I walked across	raik about it somewhere only we know
An empty land	This could be the end of everything
I knew the (1) (2) the back of	So why don't we go
my hand	Somewhere only we know
I felt the earth	Somewhere only we know
Beneath my feet	Oh, simple thing
Sat by the (3) and it made me complete	Where have you gone
Oh, simple thing	I'm getting old and I need (8) to rely on
Where have you gone	So tell me when
I'm getting tired and I need someone to (4) on	You're gonna let me in
I came across	I'm getting tired and I need somewhere to begin
A fallen tree	And if you have a minute, why don't we go
I felt the (5) of it looking at me	Talk about it (9) only we know
Is this the place	'Cause this could be the end of everything
We used to love	So why don't we go
Is this the place that I've been dreaming of	Somewhere only we know
Oh, simple thing	Somewhere only we know
Where (6) you gone	
I'm getting old and I need something to (7) on	
And if you have a minute, why don't we go
