

Fill in the gaps

Ben, the two of us need look no more
We both (1) what we were (2) for
With my (3) to call my own I'll never be alone
And you my (4) will see, you've got a friend in me
Ben, you're always running here and there
You (5) you're not wanted anywhere
If you ever look behind and don't (6) what you find
There's (7) you should know, you've got a place to go
I used to say, "I", And "Me"
Now it's "Us", Now it's "We"
Ben, (8) people would turn you away
I don't listen to a word (9) say
They don't see you as I do I wish they would try to
I'm sure they'd think again if they had a friend like Ben
Like Ben, like Ben
