

Fill in the gaps

Ben, the two of us need (1) no more
We both found what we were looking for
With my friend to call my own I'll never be alone
And you my friend will see, you've got a friend in me
Ben, you're always running here and there
You (2) you're not wanted anywhere
If you (3) look behind and don't like what you find
There's something you should know, you've got a place to go
I used to say, "I", And "Me"
Now it's "Us", Now it's "We"
Ben, most people would turn you away
I don't listen to a (4) they say
They don't see you as I do I wish they would try to
I'm (5) they'd think (6) if they had a friend (7) Ben
Like Ben, (8) Ben
