## Storm The Sorrow by Epica

## Fill in the gaps

Along the way, I find myself		Can I repent?
To be confined within me		Will you be there?
No (1) for any other's mind to interfere		Erase the page
To grasp the meaning of it all		For I'm alone and ailing
To overcome my limits		Intertwine the lines
And dance away from any void and empty tones		That swim beneath the dark
Just tell me why		Realize the pain we live in
Just tell me how		Demonize the need we reel in
I can survive this time		(Nooooooo)
Believe yourself and look away		In my memories I'll dig deep enough to know
From all that's right (2) you		Centuries of dreams unending
Leave all your worries at the door and drift a	way	Another me that yielded tears
I've (3) to peer into the core		When (11) had betrayed
But could not storm the sorrow		So, this is my life
My (4) heart has bled me dr	у	And it can't break me down
Left me to stray		Go, I will decide
Another time		Who can (12) in and heal my disease
Without a trace		Burn it in flames
Condemn me now		Kill it and maim
Send me to heaven		Why can't you see that you need to be freed?
For I'm already failing		Intertwine the (13) beneath the dark
Intertwine the lines		Every bit of pain we're feeling
That swim beneath the dark		Every other solemn life
Realize the (5) we live in		(Nooooooo)
Demonize the need we reel in		In the memories, you (14) find somehow
(Nooooooo)		There used to be a dream unending
In my (6) I'll dig deep e	nough to know	No more (15) to be alone
Centuries of dreams unending		Intertwine the lines
Another me that yielded tears		That (16) beneath the dark
When someone had betrayed		Realize the pain we (17) in
No time should ever go to waste		Demonize the need we reel in
It's not (7) complicated		(Noooooooo)
You're free to live your life at ease		In my memories I'll dig deep enough to know
No more restraints		Centuries of (18) unending
No (8) for shadows on your way		Another me that yielded tears
That try to (9) (10)	laughter	When someone had betrayed
Your light will drive them all away		Someone had betrayed
Be confident		
Will I refrain?
