

Fill in the gaps

The very brightest candle of all	And I shiver
Has (1) extinguished	This black page in history is not colourfast
Smothered by those	Will stain the next
Who could not bear to face reality	All (5) (6) is (7) a
Every beat of your heart tore the (2) all apart	feint
Made foundations quiver	Of what was (8) to be
Every wave in the lake	This black page in history is not colourfast
Caused the porcelain to break	Will stain the next
And I shiver	And nothing seems in life in dreams
The leftover tallow just doesn't contain	Like what was meant to be
All the right answers	Every beat of your heart (9) the lies all apart
Under a sea of dust (3) a vast wealth of wisdom	Made foundations quiver
(As untouched (4) turns red)	Every wave in the lake
(Innocence dies)	Caused the porcelain to break
Every beat of your heart tore the lies all apart	And I shiver
Made foundations quiver	I shiver
Every wave in the lake	
Caused the porcelain to break
