

## Fill in the gaps

And I shiver...

The very (1) candle of all
Has (2) extinguished
Smothered by those
Who (3) not bear to face reality
Every (4) of your heart tore the lies all apart
Made foundations quiver
Every wave in the lake
Caused the (5) to break
And I shiver
The leftover tallow just doesn't contain
All the right answers
Under a sea of dust lies a vast wealth of wisdom
(As untouched snow turns red)
(Innocence dies)
Every beat of (6) (7) tore the lies all
apart
Made foundations quiver
Every wave in the lake
Caused the porcelain to break

Made foundations quiver Every wave in the lake Caused the porcelain to break And I shiver	
All what remains is just a feint Of what was meant to be This black page in history is not colourfast Will stain the next And nothing seems in (8) in dreams Like what was meant to be Every beat of (9) heart tore the lies all apart Made foundations quiver Every wave in the lake Caused the porcelain to break And I shiver	This black page in history is not colourfast
Of what was meant to be This black page in history is not colourfast Will stain the next And nothing seems in (8) in dreams Like what was meant to be Every beat of (9) heart tore the lies all apart Made foundations quiver Every wave in the lake Caused the porcelain to break And I shiver	Will stain the next
