

Yeah

## Fill in the gaps

### This Christmas Life by Shane Dawson

f life was (1) a Christmas movie	I'm hoping for a (16) ending
wouldn't have a care or worry	So let's stop pretending what life could be
And everything would (2) turn out fine	There'll be dancing and singing
Making (3) in the snow	This Christmas life
Kissing (4) mistletoe	And the bells will be ringing
And (5) would (6) have a	This Christmas life
smile	No more heartaches or heartbreaks
But baby, life isn't (7) easy	This Christmas life
Sometimes it gets crazy	(Oh) I (17) it could be mine
'm (8) on my knees	So I close my eyes and
Yeah	Create a (18) where
'm (9) for a happy ending	Anything's possible there
So let's stop pretending (10) life could be	I'm (19) dreaming of (20) it
There'll be dancing and singing	(21) be
This Christmas life	There'll be (22) and singing
And the bells will be ringing	This Christmas life
This Christmas life	And the bells will be ringing
No (11) heartaches or heartbreaks	This (23) life
This Christmas life	No more heartaches or heartbreaks
(Oh) I (12) it could be mine	This (24) life
f I lived up on the north pole	(Oh) I wish it could be mine
(13) stare outside my window	There'll be (25) and singing
And (14) around at all the shining lights	This (26) life
Christmas carols at the front door	And the bells will be ringing
Family at the dinner table	This Christmas life
And every night would always end just right	No more (27) or heartbreaks
But baby, life isn't that easy	This (28) life
Sometimes it gets crazy	(Oh) I wish it could be mine
'm (15) on my knees
