Slow Fade by Casting Crowns

...

Be careful little eyes (1)_____ you see

It's the second glance that ties your hands

As darkness pulls the strings

Be careful (2)_____ feet (3)_____ you go

For it's the little feet behind you

That are sure to follow

It's a slow fade

When you give yourself away

It's a slow fade

When black and white are turned to gray

And thoughts invade, choices are made

A price will be paid

When you give (4)_____ away

People never crumble in a day

It's a slow fade

It's a slow fade

Be careful little ears what you hear

When flattering leads to compromises

The end is always near

Be careful little (5)_____ (6)_____ you say

For empty words and promises

Leave broken hearts astray

It's a slow fade

When you give yourself away

It's a (7)_____ fade

When black and white are turned to gray

And thoughts invade

Choices are made

A price will be paid

When you give yourself away

People never crumble in a day

The journey from your mind to your hands

Is shorter than you're thinking

Be careful if you think you stand

You just might be sinking

It's a slow fade

When you give yourself away

It's a slow fade

When black and white are turned to gray

And thoughts invade

Choices are made

A price will be paid

When you give yourself away

People (8)_____ crumble in a day

Daddies never crumble in a day

Families never crumble in a day
