Slow Fade by Casting Crowns

...

Be careful little (1)_____ what you see
It's the second glance that ties (2)_____ hands
As darkness pulls the strings
Be careful little feet where you go
For it's the little feet behind you
That are sure to follow
It's a slow fade
When you give yourself away
It's a slow fade
When black and white are turned to gray
And thoughts invade, choices are made
A price will be paid
When you (3)_____ yourself away
People never crumble in a day
It's a slow fade
It's a slow fade
Be (4)_____ little ears what you hear
When flattering leads to compromises
The end is always near
Be careful little lips what you say
For empty words and promises
Leave (5)_____ hearts astray
It's a slow fade
When you give yourself away
It's a slow fade
When black and white are turned to gray

And thoughts invade
Choices are made
A price will be paid
When you give yourself away
People never crumble in a day
The journey from your mind to your hands
Is shorter than you're thinking
Be careful if you think you stand
You just might be sinking
It's a slow fade
When you give yourself away
It's a slow fade
When black and white are turned to gray
And thoughts invade
Choices are made
A price will be paid
When you give yourself away
People never crumble in a day
Daddies never (6)_____ in a day
Families (7)_____ crumble in a day
