	And thoughts invade
Be careful little eyes what you see	Choices are made
t's the second glance that ties your hands	A price (14) be paid
As darkness pulls the strings	When you (15) yourself away
Be (1) little (2) where you go	People (16) in a day
For it's the little feet behind you	The journey (18) your (19) to your
That are (3) to follow	hands
t's a slow fade	Is shorter (20) you're thinking
When you give (4) away	Be careful if you think you stand
t's a slow fade	You just might be sinking
When black and white are turned to gray	It's a slow fade
And thoughts invade, choices are made	When you give (21) away
4 (5) will be paid	It's a (22) fade
When you give (6) away	When (23) and white are turned to gray
People never crumble in a day	And thoughts invade
t's a (7) fade	Choices are made
t's a slow fade	A price will be paid
Be careful (8) ears (9) you hear	When you give yourself away
When flattering leads to compromises	People (24) crumble in a day
The end is always near	Daddies never crumble in a day
Be (10) little (11) what you say	Families never crumble in a day
For empty words and promises	(Oh) Be careful (25) eyes what you see
_eave broken (12) astray	(Oh) Be (26) little eyes what you see
t's a slow fade	For the Father up (27) is (28)
When you give yourself away	down in love
t's a slow fade	(Oh) Be careful little eyes what you see
When black and (13) are turned to gray
