Just Another Birthday by Casting Crowns

Sixteen (1) me	But it's just another birthday
Blowing out candles and (2) wishes	And I'm not fine
And all around me	I'm not fine
Is everyone but the one I'm wishing for	In the company of strangers
And he (3) me flowers	In a (13) and (14) room
And gift-wrapped excuses	All (15) with a child (16) me
From a (4) (5) daughter	And I don't know (17) to do
Wants to see him again	Jesus, can You hear me
And I know, I know	Come and heal my brokennes
It's just another birthday	Put the (18) back together
But I guess I thought	And be a Father to the fatherless
This (6) be the one	A Father to the fatherless
When he would call me, see me	Twenty-one finds me
Hold me and free me	Blowing out candles and making wishes
But it's just another birthday	And all around me
And I'll be fine	My barefoot princess twirls and sings
I'll be fine	It's so amazing
Nineteen finds me	Looking back at all God's brought us through
And I'm wild-eyed and wide open	You are my happy birthday
I gave (7) (8) to love	And you (19) born to break the chains
But (9) (10)	Now I know, I know
(11) like a mist	It's not just (20) birthday
I'm screaming at the (12) air	'Cause I'm here, she's here
Everyone hears me but I don't care	And (21) how far we've come
My heart's clenched just like a fist	Since you've called me, saw me
'Cause, people, I didn't ask for any of this	Held me and (22) me
And I know, I know	Thank you Lord for (23) birthday
It's just another birthday	And we'll be fine
But I guess I thought	We'll be fine
This would be the one
