

The moon above you and the streets below

## Fill in the gaps

Stay with me, (1) stay with me	Hold my breath as you're (17) in
Tonight don't leave me alone	Taste your lips and feel your skin
Walk (2) me, come and (3) with me	When the (18) comes
To the edge of all we've (4) known	Baby don't run, just kiss me slowly
I can see you there (5) the city lights	Don't run away
Fourteenth floor, (6) blue eyes	And it's hard to love again
I can breathe you in	When the only way it's been
Two shadows (7) by the	When the only love you know
(8) door	Just walked away
No, I (9) not want you more than I did right then	If it's (19) that you want
As our (10) leaned in	Darling you don't have to run
Well, I'm not sure what (11) is gonna be	You don't have to go
But with my eyes closed all I see	Just stay with me, (20) (21) with me
Is the skyline, through the window	Well, I'm not (22) what this is (23) be
The moon above you and the (12) below	But with my eyes closed all I see
Hold my breath as you're moving in	Is the skyline, through the window
Taste your lips and feel your skin	The moon above you and the streets below
When the time comes	Hold my breath as you're moving in
Baby don't run, just kiss me slowly	Taste your lips and feel your skin
Stay with me, baby stay with me	When the time comes
Tonight don't leave me alone	Baby don't run, just (24) me slowly
She shows me (13) she used to	I'm not sure where this is (25) go
know	But in this moment all I know
Picture frames and country roads	Is the skyline, through the window
When the days were long and the world was small	The moon (26) you and the streets below
She stood by as it fell apart	Hold my breath as you're moving in
Separate rooms and broken hearts	Taste your lips and feel (27) skin
But I won't be the one to let you go	When the time comes, baby don't run
(Oh oh)	Just kiss me slowly
I'm not sure (14) this is gonna be	
But with my (15) (16) all I see	
Is the skyline, through the window
