Kiss Me Slowly by Parachute

Fill in the gaps

Stay with me, baby (1) with me	Hold my breath as you're moving in
Tonight don't leave me alone	Taste your lips and feel your skin
Walk with me, come and walk with me	When the time comes
To the edge of all we've (2) known	Baby don't run, just kiss me slowly
I can see you there with the city lights	Don't run away
Fourteenth floor, (3) blue eyes	And it's hard to love again
I can breathe you in	When the only way it's been
Two (4) by the	When the only love you know
bedroom door	Just walked away
No, I could not want you more than I did right then	If it's something (20) you want
As our heads (6) in	Darling you don't have to run
Well, I'm not (7) what this is gonna be	You don't have to go
But with my eyes (8) all I see	Just stay (21) me, baby stay with me
Is the skyline, (9) the window	Well, I'm not sure what this is gonna be
The moon above you and the streets below	But with my eyes closed all I see
Hold my breath as you're moving in	Is the skyline, through the window
Taste (10) lips and feel your skin	The (22) above you and the streets below
When the time comes	Hold my (23) as you're moving in
Baby don't run, just (11) me slowly	Taste your lips and feel (24) skin
Stay (12) me, (13) stay (14)	When the time comes
me	Baby don't run, just kiss me slowly
Tonight don't leave me alone	I'm not (25) where this is gonna go
She (15) me everything she used to know	But in this moment all I know
Picture frames and country roads	Is the skyline, through the window
When the days were long and the world was small	The moon (26) you and the streets below
She stood by as it fell apart	Hold my breath as you're moving in
Separate (16) and broken hearts	Taste your (27) and feel (28) skin
But I won't be the one to let you go	When the time comes, baby don't run
(Oh oh)	Just kiss me slowly
I'm not sure what this is gonna be	
But with my eyes (17) all I see	
Is the skyline, (18) the window	
The moon above you and the (19) below
