

Fill in the gaps

Under Control by Calvin Harris & Alesso & Hurts

	I love you, you'll never know
I might be anyone	When the daylight comes you (5) so cold
A lone fool out in the sun	You know
Your heartbeat of solid gold	I'm too afraid of my heart to let you go
I love you, you'll (1) know	Waiting for the fire to light
When the daylight comes you feel so cold	Feeling like we (6) do right
You know	Be the one (7) makes tonight
I'm too afraid of my heart to let you go	'Cause (8) is a lonely road
Waiting for the fire to light	We're under control
Feeling like we could do right	Waiting for the fire to light
Be the one that makes tonight	Feeling (9) we could do right
'Cause (2) is a lonely road	Be the one that makes tonight
We're under control	'Cause freedom is a lonely road
We're under control	We're under control
I might be anyone	We're under control
