A lone fool out in the sun	so cold
Your (1) of (2) gold	You know

When the daylight comes you feel so cold	Waiting for the (8) to light
You know	Feeling like we could do right
'm too (3) of my heart to let you go	Be the one that (9) tonight
Naiting for the fire to light	'Cause freedom is a lonely road
Feeling like we could do right	We're under control
Be the one that makes tonight	Waiting for the fire to light
Cause freedom is a lonely road	Feeling (10) we could do right
Ne're (4) control	Be the one that makes tonight
We're under control	'Cause freedom is a lonely road
might be anyone	We're under control
A lone fool out in the sun	We're under control
