The Party Scene (Live) by All Time Low

Hey, kid, you've got

A lot of potential but I (1)_____ it's (2)_____ to
move up

So go on and (3)_____ us away with your sound

Now you're everything that we've come to love

You taught us to move, now we'll show it off

Just drop us the beat (c'mon)

Here's to the fast times

The times we felt alive

To all the nights that we forgot to get back home

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

Drink up last call before the sunrise sets the scene

Of empty bottles, heavy hearts

The memories of broken dreams...

We were so tired yet so alive

Wrapped up in lies

Like sheets of another one night stand

You (4)_____ you left the girl with nothing

But the sunrise through the window pane

Where (5)_____ (6)_____ will close...

Stay seventeen

The party scene has got the (7)_____ of me and you

We've got to let this go...

I (8)_____ she hopes I choke on (9)_____ last drink

Drop dead before my influence gets to her head...

She said

I'll love you forever or find something better

It's all just the same as when we sleep together

We wake up with headaches and trouble remembering

What went wrong

Stay seventeen

The party scene has got the best of me and

You, we've got to let this go...
