The Party Scene (Live) by All Time Low

	You know you left the girl (8) nothing
Hey, kid, you've got	But the sunrise through the window pane
A lot of potential but I (1) it's time to move up	Where tired eyes will close
So go on and (2) us away with your sound	Stay seventeen
Now you're everything that we've (3) to love	The party scene has got the best of me and you
You taught us to move, now we'll show it off	We've got to let this go
Just drop us the beat (c'mon)	I know she hopes I choke on this last drink
Here's to the (4) times	Drop (9) before my influence gets to her head
The (5) we felt alive	She said
To all the nights that we forgot to get back home	I'll love you forever or find something better
Stay seventeen	It's all just the same as when we sleep together
The (6) scene has got the best of me and you	We wake up with headaches and trouble remembering
We've got to let this go	What went wrong
Drink up last call before the sunrise sets the scene	Stay seventeen
Of (7) bottles, heavy hearts	The party scene has got the (10) of me and
The memories of broken dreams	You, we've got to let this go
We were so tired yet so alive	
Wrapped up in lies
