The Party Scene (Live) by All Time Low

Hey, kid, you've got
A lot of potential but I think it's time to move up
So go on and blow us away with your sound
Now you're everything that we've come to love
You taught us to move, now we'll show it off
Just drop us the beat (c'mon)
Here's to the fast times
The times we felt alive
To all the nights that we forgot to get back home
Stay seventeen
The party scene has got the best of me and you
We've got to let this go...
Drink up last (1)_____ before the sunrise sets the scene
Of empty bottles, heavy hearts
The memories of broken dreams...
We were so tired yet so alive
Wrapped up in lies
Like sheets of (2)_____ one night stand

You (3)_____ you left the girl with nothing
But the sunrise (4)_____ the (5)_____
pane
Where tired eyes will close...
Stay seventeen
The party scene has got the best of me and you
We've got to let (6)_____ go...
I know she hopes I choke on this last drink
Drop (7)_____ (8)_____ my influence gets to
her head...
She said
I'll love you forever or (9)_____ something better
It's all just the same as when we sleep together
We wake up with headaches and trouble remembering
What went wrong
Stay seventeen
The party scene has got the best of me and
You, we've got to let this go...
