

Before I lose it

Fill in the gaps

This Isn't Rocket Surgery by We Are The In Crowd

And now I know just how it feels to be alone	I just might lose it
(Alone and so damn scared)	And I bet you like that
It's like I can't even breathe, it's all this anxiety	Yeah you like that
It's (1) me	You (5) don't (6) know
And after all these times, we let (2) replay	The things I had to let go
Nothing's changed, we still do it the same way	What's it gonna take to get you back here with me
I love that you've got me all figured out	
Because without a doubt	I love that you've got me all figured out
You're the best damn thing	Because (7) a doubt
That ever happened to me	You're the (8) damn thing
Now we're moving on	That ever happened to me
You just don't understand	I'm going crazy, (9) can't get it out of my head
It's not that hard to comprehend	Before I lose it
And after all these times, we let this replay	I just might lose it
Nothing's changed, we still do it the same way	And I bet you like that
I love that you've got me all figured out	Yeah, you like that
Because without a doubt	Can't get it out of my head
You're the best damn thing	(Get it out of my head)
That ever (3) to me	
I'm going crazy. (4) can't get it out of my head
