

Fill in the gaps

This Isn't Rocket Surgery by We Are The In Crowd

And now I (1) just how it feels to be alone	I just (13) lose it
(Alone and so damn scared)	And I bet you (14) that
It's like I can't (2) breathe, it's all this anxiety	Yeah you like that
It's killing me	You (15) don't wanna know
And (3) all these times, we let this replay	The things I had to let go
Nothing's changed, we still do it the same way	What's it (16) take to get you back here
I (4) (5) you've got me all figured out	(17) me
Because without a doubt	
You're the (6) (7) thing	I love that you've got me all (18) out
That (8) happened to me	Because (19) a doubt
Now we're moving on	You're the best damn thing
You just don't understand	That (20) happened to me
It's not (9) hard to comprehend	I'm (21) crazy, just can't get it out of my head
And after all these times, we let this replay	Before I (22) it
Nothing's changed, we still do it the same way	I just might lose it
I (10) that you've got me all figured out	And I bet you like that
Because without a doubt	Yeah, you (23) that
You're the (11) damn thing	Can't get it out of my head
That ever happened to me	(Get it out of my head)
I'm going crazy, just can't get it out of my head	
Before I (12) it
