

Fill in the gaps

Step out into the (1) dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a (14) big world
They're starting to bust	She's just another girl
Drive by your house, nobody's home	I could be reeling them in left and right
I'm trying to tell myself that I'm (2) off alone	Something's got a hold on me, tonight
All of my (3) say I should move on	Well maybe all of my friends
She's just another girl	Should confront
Don't let her (4) it to (5) heart so hard	The fact that I don't want
And of all my friends say	Another girl
It wasn't meant to be	All of my friends say I should (15) on
And it's a great big world	All of my friends say
She's just (6) girl	All of my (16) say
Another girl	All of my (17) say
I (7) to see a fortuneteller	She's (18) girl
That was a trip	Then why can't I (20) at night
Maybe this confusion's got me losing my grip	And why don't the moon look right
I can't believe you're out there flying	The (21) up, the TV's on
With somebody else	And it's a great big world
Now Jason's getting married in the blink of an eye	She's just another girl
I got an invitation but I didn't reply	Don't let her stick it to your heart, boy
Tell (8) little (9) (10)	She's (22) girl
we put down the gloves	All of my friends say
And give him all of my love	She's (24) another girl
All of my friends say I (11) on	Another girl
She's just another girl	
Don't let her (13) it to your heart so hard	
And all of my friends say
