

Back down that road

Fill in the gaps

Somebody said every day	That's (16) the way (17) it goes
Was going to be (1) skies	'Cause we made it this far on for better or worse
Only (2) Gaye and lingerie	I wanna (18) it (19) if it hurts
I (3) somebody lied	If I gotta cry
Started (4) (5) to fighting	To get to the other side
Then don't touch me please	As long as you're there I'll survive
Then it's let's stop the madness	We stay
Just come lay with me	On the (20) lines
And (6) be told	Yeah, but we're still here
I'm waving my flag	After the bomb drops
Before it (7) bad (yeah, yeah)	We go so hard
'Cause we (8) it this far on for better or worse	We lose control
I wanna feel it even if it hurts	The fire starts
If I (9) cry	Then we explode
To get to the other side	When the smoke clears
Let's go 'cause we're (10) to survive	We dry our tears
We stay	Only in love and war
On the front lines	As long as we make up after every fight
Yeah, but we're still here	When it's over
After the (11) drops	You (21) I'm (22) home
We go so hard	Right there where I belong
We lose control	I'm taking all (23) over
The (12) starts	And we stay
Then we explode	On the (24) (25) (on the front
When the smoke clears	lines)
We dry our tears	Yeah, but we're (26) here
Only in (13) and war	After the bomb drops
Sometimes you're my general	We go so hard (we go so hard)
You (14) all these plays	We lose control (we lose control)
Sometimes you're my enemy	The fires starts (the fire starts)
And I'm throwing grenades	Then we explode (baby)
We'll just be chilling and laughing	When the smoke clears
I'm laying on your chest	We dry our tears
Don't know (15) I did	Only in love and war
'Cause things just went left	Only in (27) and war
But here we go	(Only in (28) and war)
