Un-Break My Heart by Toni Braxton

	When you walked out the door
Don't leave me in all this pain	And (6) out of my life
Don't leave me out in the rain	Un-cry these tears
Come back and bring back my smile	I (7) so many nights
Come and take these tears away	Unbreak my heart
I (1) your arms to hold me now	Don't leave me in all (8) pain
The nights are so unkind	Don't leave me out in the rain
Bring back those nights when I held you beside me	Bring back the nights when I held you beside me
Unbreak my heart	Unbreak my heart
Say you'll love me again	Say you'll love me again
Undo this hurt you caused	Undo this (9) you caused
When you walked out the door	When you walked out the door
And walked out of my life	And walked out of my life
Un-cry (2) tears	Un-cry these tears
I cried so many nights	I cried so many nights
Unbreak my heart, my heart	Unbreak my heart
Take back that sad word good-bye	Unbreak my heart, oh baby
Bring back the joy to my life	Come back and say you love me
Don't leave me here with (3) tears	Unbreak my heart
Come and (4) this pain away	Sweet darling
I can't forget the day you left	Without you I just can't go on
Time is so unkind	Can't go on
And life is so cruel without you here beside me	
Unbreak my heart	
Say you'll (5) me again	
Undo this hurt you caused
