| But could you walk and talk at the same time          | I won't lose a wink of sleep                          |
| And It's my mine name (1) is on that Jag              | Cause the truth of the matter is                      |
| So remove your bags let me call you a cab             | Replacing you is so easy                              |
| Standing in the front yard telling me                 | To the left   |
| How I'm such a fool - Talking about                   | To the left   |
| How I'll never ever find a man like you               | To the left   |
| You got me twisted                                    | To the left   |
| You must not know about me                            | To the left   |
