

Fill in the gaps

Time to change has come and gone
Watched your fears become your god
It's your decision
It's your decision
Overwhelmed you chose to run
Apathetic to the stunned
It's your decision
It's (1) decision
You feed the fire that burned us all
When you lied
To feel the (2) that spurs you on
Black inside
No one plans to take the path that brings you lower
And here you stand before us all and say it's over
It's over
It might (3) an afterthought

res it nurts to know you're bought
It's your decision
It's your decision
You feed the (4) that (5) us all
When you lied
To (6) the pain that spurs you on
Black inside
It's your decision
It's your decision
No one plans to take the path (7) brings you lower
And here you stand before us all and say it's over
It's over
It's over
