Don't know much about (1) life	Or a hand to hold
Don't know much about your world but	Or hell to pay
Don't want to be alone tonight	What do you say?
On this planet (2) call earth	What do you say?
You don't know about my (3) and	And I've had my heart beaten down
I don't have the future figured out	But I always come back for more, yeah
And maybe this is going too fast	There's nothing like love to pull you up
And (4) it's not meant to last	When you're lying down on the floor there
But what do you say to taking chances?	So talk to me, talk to me like lovers do
What do you say to jumping off the edge	Yeah walk with me, (8) with me like lovers do
And never knowing if there's solid ground below	Like lovers do
Or a hand to hold	What do you say to taking chances?
Or hell to pay	What do you say to jumping off the edge
What do you say?	And never knowing if there's solid ground below
What do you say?	Or a (9) to hold
I just wanna start again	Or hell to pay
Maybe you could show me how to try	What do you say?
Maybe you could take me in	What do you say?
Somewhere underneath (5) skin	Don't know much about your life
What do you say to (6) chances?	And I don't know much (10) your world
What do you say to jumping off the edge	
And (7) knowing if there's solid ground below
