

Fill in the gaps

Don't know much about your life	Or a hand to hold
Don't know much about your world but	Or hell to pay
Don't (1) to be alone tonight	What do you say?
On this planet they call earth	What do you say?
You don't know about my past and	And I've had my heart beaten down
I don't have the future figured out	But I always come back for more, yeah
And maybe this is (2) too fast	There's nothing like love to pull you up
And maybe it's not meant to last	When you're lying down on the floor there
But (3) do you say to (4) chances?	So (7) to me, (8) to me like lovers do
What do you say to jumping off the edge	Yeah walk with me, walk with me like lovers do
And never knowing if there's solid ground below	Like lovers do
Or a hand to hold	What do you say to taking chances?
Or hell to pay	What do you say to jumping off the edge
What do you say?	And never knowing if there's solid ground below
What do you say?	Or a hand to hold
I just wanna start again	Or hell to pay
Maybe you could show me how to try	What do you say?
Maybe you could (5) me in	What do you say?
Somewhere underneath your skin	Don't know much about your life
What do you say to (6) chances?	And I don't know much about your world
What do you say to jumping off the edge	
And never knowing if there's solid ground below
