

## Reflektor by Arcade Fire

### Fill in the gaps

Trapped in a prism, in a prism of light  
Alone in the darkness, darkness of white  
We fell in love, alone on a stage  
In the (1)\_\_\_\_\_ age  
(Entre la nuit, la nuit et l'aurore)  
(Entre les royaumes, des vivants et des morts)  
If this is heaven  
I don't know what it's for  
If I can't find you there  
I don't care  
I thought, I found a way to enter  
It's just a Reflektor (it's just a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's just a Reflektor)  
Now, the signals we send, are deflected again  
We're still connected, but are we (2)\_\_\_\_\_ friends?  
We fell in love (3)\_\_\_\_\_ I was nineteen  
And I was staring at a screen  
(Entre la nuit, la nuit et l'aurore)  
(Entre les voyants, les vivants et les morts)  
If this is heaven  
I need something more  
Just a place to be alone  
'Cause you're my home  
I thought, I found a way to enter  
It's (4)\_\_\_\_\_ a Reflektor (it's just a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's just a Reflektor)  
Just a Reflektor  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (just a Reflektor)  
Reflektor  
Just a Reflektor  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
Reflektor  
It's just a Reflektor  
It's just a Reflektor  
It's just a Reflektor (it's just a Reflektor)

It's just a Reflektor (it's just a Reflektor)  
Just a reflection, of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (just a Reflektor)  
We all got things to hide (just a Reflektor)  
It's (5)\_\_\_\_\_ a reflection of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (just a Reflektor)  
We all got (6)\_\_\_\_\_ to hide (just a Reflektor)  
Alright, let's go back  
Our song escapes, on little silver discs  
Our love is plastic, we'll break it to bits  
I want to break free, but will they break me?  
Down, down, down, don't mess around  
I thought, I found a way to enter  
It's just a Reflektor (it's just a Reflektor)  
I thought, I found the connector  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
It's just a Reflektor (it's just a Reflektor)  
Thought you would (7)\_\_\_\_\_ me to the resurrector  
Turns out it was just a Reflektor (it's just a Reflektor)  
Thought you would bring to me the resurrector  
Turns out it was just a Reflektor (it's just a Reflektor)  
Thought you (8)\_\_\_\_\_ bring to me the resurrector  
Turns out you were just a Reflektor  
It's just a (9)\_\_\_\_\_ (it's just a Reflektor)  
It's just a (10)\_\_\_\_\_ (it's just a Reflektor)  
It's just a Reflektor  
It's just a Reflektor  
It's just a Reflektor  
Will I see you on the other side?  
It's just a Reflektor  
Will I see you on the other side? (Reflektor)  
We all got things to hide (Reflektor)  
Just a Reflektor  
Will I see you on the other side?

## Fill in the gaps

### Answer

1. reflective
2. even
3. when
4. just
5. just
6. things
7. bring
8. would
9. Reflektor
10. Reflektor
