

## Fill in the gaps

Trapped in a prism, in a prism of light	It's just a Reflektor (it's just a Reflektor)
Alone in the darkness, darkness of white	Just a reflection, of a reflection
We fell in love, alone on a stage	Of a reflection, of a reflection
In the reflective age	Will I see you on the other side? (just a Reflektor)
(Entre la nuit, la nuit et l'aurore)	We all got things to (10) (just a Reflektor)
(Entre les royaumes, des vivants et des morts)	It's just a reflection of a reflection
If this is heaven	Of a reflection, of a reflection
I don't know (1) it's for	Will I see you on the other side? (just a Reflektor)
If I can't find you there	We all got things to hide (just a Reflektor)
I don't care	Alright, let's go back
I thought, I found a way to enter	Our song escapes, on little silver discs
It's just a Reflektor (it's just a Reflektor)	Our (11) is plastic, we'll break it to bits
I thought, I found the connector	I (12) to break free, but will they (13)
It's just a Reflektor (it's just a Reflektor)	me?
Now, the signals we send, are deflected again	Down, down, down, don't (14) around
We're still connected, but are we even friends?	I thought, I found a way to enter
We fell in love when I was nineteen	It's just a Reflektor (it's just a Reflektor)
And I was staring at a screen	I thought, I (15) the connector
(Entre la nuit, la nuit et l'aurore)	It's just a (16) (it's just a Reflektor)
(Entre les voyants, les vivants et les morts)	It's just a Reflektor (it's just a Reflektor)
If this is heaven	It's just a Reflektor (it's (17) a Reflektor)
I (2) something more	Thought you (18) bring me to the resurrector
Just a place to be alone	Turns out it was (19) a Reflektor (it's just a
'Cause you're my home	Reflektor)
I thought, I found a way to enter	Thought you would bring to me the resurrector
It's (3) a Reflektor (it's just a Reflektor)	Turns out it was just a Reflektor (it's (20) a
I thought, I found the connector	Reflektor)
It's just a (4) (it's just a Reflektor)	Thought you would bring to me the resurrector
Just a Reflektor	Turns out you were (21) a Reflektor
It's just a Reflektor (it's just a Reflektor)	It's just a Reflektor (it's (22) a Reflektor)
It's just a Reflektor (it's just a Reflektor)	It's just a Reflektor (it's (23) a Reflektor)
It's (5) a Reflektor (just a Reflektor)	It's (24) a Reflektor
Reflektor	It's just a Reflektor
Just a Reflektor	It's just a Reflektor
It's (6) a (7) (it's just a	Will I see you on the other side?
Reflektor)	It's just a Reflektor
It's just a (8) (it's just a Reflektor)	Will I see you on the (25) side? (Reflektor)
Reflektor	We all got things to hide (Reflektor)
It's just a Reflektor	Just a Reflektor
It's just a Reflektor	Will I see you on the other side?
It's just a (9) (it's just a Reflektor)
