

Breakthru by Queen

When (1)_____ breaks up	I break up
When the dawn light wakes up	With each and every one of your looks at me
A new life is born	Honey you're starting something
Somehow I have to (2)_____ (3)_____ final	Deep inside of me
breakthru	Honey you're sparking something
Now!	This fire in me
I wake up	I'm outta control
Feel just fine	I wanna rush headlong into this ecstasy
Your face	If I could only reach you
Fills my mind	If I could make you smile
I get religion quick	If I could only reach you
'Cause you're looking divine	That would (5)_____ be a breakthru
Honey you're touching something	If I could only reach you
You're touchin' me	If I could make you smile
I'm under your thumb	If I (6)_____ only (7)_____ you
Under you're spell	That would really be a breakthru
Can't you see	(Oh) yeah
If I could only reach you	Breakthru
If I could make you smile	Breakthru
If I could only (4)_____ you	If I could (8)_____ (9)_____ you
That would really be a breakthru	If I could make you smile
(Oh) yeah	If I could only reach you
Breakthru, these barriers of pain	That would really be a breakthru
Breakthru, to the sunshine from the rain	If I could only reach you
Make my feelings known towards you	If I could make you smile
Turn my heart inside and out for you now	If I (10)_____ only reach you
Somehow	That would really be a breakthru
I have to make this final breakthru	Breakthru
Now!	
(Oh) yeah	
Your smile	
Speaks books to me
