Fill in the gaps

lles le cole	Describe and health was and L (5)
l'm back	Brought me back to you and I (5) it
I'm back	So I just kept (6) my friends
Prouder than ever baby	Waiting for some God to choose
Louder than ever maybe	Saying this ain't the day that it ends
One more pill, just one more beer	'Cause there's no white light and I'm not through
One less star in the atmosphere for us	I'm alive
But maybe she just wanted to be free	I'm alive
Heartless pictures on TV	And I've got so much more that I want to do
Change (1) channel (2) could have	Was it music?
been me	Was it science that (7) me?
I said	Or the way that you prayed for me?
Maybe she just wanted to be free	Guess either way I thank you
So I just (3) breathing my friends	I'm alive
Waiting for the man to choose	And tomorrow is mine
Saying this ain't the day that it ends	I said tomorrow is mine
'Cause there's no white light and I'm not through	Said I (8) got to keep on breathing
I'm alive	(I said tomorrow is mine)
I'm alive	I said no, don't let go
And I've got so much more	(Keep on breathing)
That I want to do with the music	Got to keep on, got to keep on, got to keep on
Was it music that saved me?	I just got to (9) on breathing
Or the way that you prayed for me?	I'm alive
Guess (4) way I thank you	I'm alive
I'm alive	And I've got so much more that I want to give
Hotel, Motel makes it clear	Was it music?
One more voice we will never hear again	Was it science that saved me?
But maybe he just wanted to be free	Or the way that you prayed and prayed for me
And I don't know what the hell	Well I (10) you I'm alive
What the Gods	
What the **** I'm saying half the time	
But something divine
