

All we do is linger

Slipping through our fingers

Fill in the gaps

I Hate This Part by The Pussycat Dolls

We're driving slow through the snow on fifth Avenue	I don't wanna try now
And (1) now, radio's all (2) we can	All that's (17) is goodbye
hear	To find a way that I can tell you
Now we ain't talk since we left, it's so overdue	I hate this (18) right here
It's (3) outside but between us it's worse in here	I hate this part right here
The world slows down	I just can't take your tears
But my (4) beats fast right now	I (19) this part right here
I know this is the part	I (20) you'll ask me to hold on
Where the end starts	And carry on like nothing's wrong
I can't (5) it any longer	But there is no more time for lies
Thought (6) we were stronger	'Cause I see sunset in your eyes
All we do is linger	I can't (21) it any longer (can't take do this)
Slipping through our fingers	Thought that we were stronger
I don't (7) try now	All we do is linger (is linger)
All that's left is goodbye	Slipping through our (22) (through our
To find a way that I can tell you	finger)
I (8) this part (9) here	I don't wanna try now (try now)
I hate (10) part right here	All that's left is goodbye (goodbye now)
l just can't take your tears	To find a way that I can tell you (I can tell you)
I (11) this (12) right here	But I've gotta do is
Everyday (13) takes of the (14) old	I've gotta do it
scene	I've gotta do it
Seems we're bound by the loss of the same routine	I hate (23) part
Gotta talk to you now (15) we go to sleep	I gotta do it
But will you sleep (16) I tell you what's hurting me?	I gotta do it
The world slows down	I gotta do it
But my heart beats fast right now	I hate this part right here
I know (I know) this is (this is) the part	I hate this part (24) here
Where the end starts	I just can't take these tears
I can't take it any longer	I hate this part (25) here
Thought that we were stronger
