

## Fill in the gaps

Sparks fly, it's like electricity	
I might die when I forget how to breathe	
You get closer and there's nowhere	
In this world I'd rather be	
Time stops like everything around me	
It's frozen and nothing matters but these	
Few moments when you open	
My mind to things I've never seen	
'Cause when I'm kissing you my senses come alive	
Almost like the puzzle piece I've been (1)	to
find	
Falls (2) into place, you're all that it takes	
My doubts fade away when I'm kissing you	
When I'm kissing you it all starts making sense	
And all the questions I've been asking in my head	
Like are you the one?	
Should I really trust?	
Crystal clear it becomes (3) I'm kissing you	
Past loves, they never got really far	
Walls up, made sure I guarded my heart	
And I promise I wouldn't do this	
'Til I knew it was right for me	
But no one, no guy that I met before	
Could (4) me feel so right and secure	
And have you noticed I lose my focus?	
And the world around me disappears	

'Cause when I'm kissing you my senses come alive
Almost like the puzzle piece I've (5) trying to find
Falls right into place, you're all that it takes
My doubts fade (6) when I'm kissing you
When I'm kissing you it all (7) making sense
And all the (8) I've been asking in my
head
Like are you the one?, Should I really trust?
Crystal clear it becomes when I'm kissing you
I've never felt nothing like this
You're making me open up
No point even trying to fight this
It kinda feels like it's love
'Cause when I'm kissing you my (9) come
Almost like the puzzle piece I've been trying to find
Falls right into place, you're all that it takes
My doubts fade (10) when I'm kissing you
When I'm kissing you it all starts making sense
And all the questions I've been asking in my head
Like are you the one?
Should I really trust?
Crystal clear it becomes
When I'm kissing you

- 1. trying
- 2. right
- 3. when
- 4. make
- 5. been
- 6. away
- 7. starts
- 8. questions
- 9. senses
- 10. away
