Sparks fly, it's like electricity	'Cause when I'm kissing you
I might die when I (1) how to breathe	Almost like the puzzle piece
You get closer and there's nowhere	Falls right into place, you're
In this world I'd rather be	My doubts fade away when
Time stops like everything around me	When I'm kissing you it all s
It's frozen and nothing matters but these	And all the questions I've be
Few (2) when you open	Like are you the one?, Shou
My mind to things I've never seen	Crystal (9) it b
'Cause (3) I'm kissing you my senses	I've never felt nothing like th
(4) alive	You're making me open up
Almost (5) the puzzle piece I've been trying to find	No (10) even to
Falls right into place, you're all that it takes	It kinda feels like it's love
My (6) fade away when I'm kissing you	'Cause when I'm kissing you
When I'm kissing you it all starts making sense	Almost like the puzzle piece
And all the questions I've been asking in my head	Falls right into place, you're
Like are you the one?	My doubts fade away when
Should I really trust?	When I'm kissing you it all s
Crystal clear it becomes when I'm kissing you	And all the questions I've be
Past loves, they never got really far	Like are you the one?
Walls up, made sure I guarded my heart	Should I really trust?
And I promise I wouldn't do this	Crystal clear it becomes
'Til I knew it was right for me	When I'm kissing you
But no one, no guy that I met before	
Could make me feel so right and secure	
And have you noticed I lose my focus?	
And the world around me disappears
