

Fill in the gaps

Looking up there's (1) sky	We'll be okay just keep the faith
Rest your head I'll take you high	And we won't fade into darkness
We won't fade into darkness	Fade into darkness
Won't let you fade into darkness	No, we won't (6) into darkness
Where were we now, you'll be safe	Fade into darkness
Hold my hand, just in case	
And we won't (2) into darkness	Fade into darkness
Fade into darkness	
No, we won't fade into darkness	Fade into darkness
Fade (3) darkness	
And we won't fade into darkness	And we won't (7) (8) darkness
Fade into darkness	Fade into darkness
No, we won't fade into darkness	No, we won't fade into darkness
Fade into darkness	Fade (9) darkness
This world can seem cold and grey	
But you and I are here today	Fade into darkness
And we won't (4) into darkness	
No, we won't (5) into darkness	
Nothing to fear but fear itself
